ACTING COMMISSIONER

TO: ALL SURPLUS LINES AGENTS AND INTERESTED PARTIES

Pursuant to Section 1910(4) of the Michigan Insurance Code, the following is a list of lines of insurance for which coverages are determined by the Commissioner to be generally unavailable in the authorized market:

1. Animal mortality
2. Environmental impairment
3. Kidnap and ransom or extortion insurance
4. Liability for entertainment, recreational or sporting events or facilities written to include injury to participants
5. Personal injury and/or assault and battery when not written with bodily injury and property damage liability
6. Products recall insurance
7. Property and liability insurance on mobile, traveling, or fixed recreational or amusement businesses
8. Property insurance on vacant buildings not insurable through the Michigan Basic Property Insurance Association
9. Rain or pluvius insurance
10. Products liability when written alone
11. Railroad liability
12. Flood insurance not provided under the federal flood insurance program
13. High hazard cargo insurance

Please note that certain categories of risks can obtain coverages included on this list from authorized insurers in Michigan but the inclusion of a line of insurance indicates that some prospective insureds may have difficulty obtaining the coverage from authorized insurers.

This list is published quarterly on the OFIS Internet website. Dates for revisions are January 25, April 25, July 25 and October 25, and will be revised as required. Any person may request in writing that a coverage be added or removed from a current list. The request will be granted or denied within thirty days after the written request is received. The list will be available on the OFIS internet website at <http://www.michigan.gov/cis/>. All requests should be addressed to:
